

5772

A new year is here again . We enter an exciting time in God. It is made up of **5770 + 2** . It is **Ayin Bet** . Everything contained in “Ayin” comes across into this year .From **5770** we came into the decade season of “Ayin” . From our previous studies we are reminded that the eyes of the Lord are going to and fro seeing what we have need of.

Philippians 4:19 says that the Lord will supply all our need .

“ But my God shall supply all your need according to his riches in glory by Christ Jesus.”

“**Ayin**” has this meaning , God looks to see what we need and meets it as we have faith to believe His word. “**Ayin**” also means that there are increased visitations of angels to work alongside “The Church” in every area of their work. As we look at the word of God we can see that it is only when we release faith -filled words that are aligned to the word of God that these angelic hosts can function.

Psalm 103:20 “ **Bless the Lord , ye His angels , that excel in strength , that do His commandments , hearkening unto the voice of His word.”**

This is a season where God has released His angels to help us as The Church to accomplish all He has called us to do to advance and extend His kingdom into all the spheres of influence he has placed us.

A study of “**Bet**” words that appear in the bible from the original Hebrew give an interesting understanding of what we will face this coming year **5772**. We have arranged a list of these words which are both positive and negative . Some are both which means that we can be dealing with a negative issue but also that we as prayer warriors and intercessors can be producing this negative word as a direct result of our prayer action. So not all negative words are bad but simply the result of an activity . If we minister in prayer for a situation to be turned around then the uprooting , a negative word,would be the result . This is good for kingdom advance as the evil structure for instance has been lifted by the roots and prevented from continuing it’s evil intent.

There are several words that can be applied in this way so they appear in both good and bad columns.

As the reader looks through the list of words it will soon become apparent that there are Primary functions as well as behind the scenes functions . For instance a major word is “**Covenant**” which shows that God is wanting us to reevaluate our covenant relationship with Him and to enter a more intimate,trustworthy,pure and non-negotiable relationship .

This is a step of maturity in the body of Christ that God is calling for this year.

Here are some scriptures referring to the maturation process we are being admonished to grow up into:

Hebrews 5:14

“But strong meat belongeth to them that are of full age, even those who by reason of use have their senses exercised to discern both good and evil.”

2 Timothy 2:4

“No man that warreth entangleth himself with the affairs of this life; that he may please him who hath chosen him to be a soldier.”

Ephesians 4:14-15

“That we henceforth be no more children, tossed to and fro, and carried about with every wind of doctrine, by the sleight of men, and cunning craftiness, whereby they lie in wait to deceive; But speaking the truth in love, may grow up into him in all things, which is the head, even Christ:”

The “Bet” relates to “house “ or “household “ Another “Bet” word means womb that is about to burst and release seed . If we look at “Ayin Bet” This is two Hebrew words put together read from right to left . “Bet” = house or household and “Ayin” nine or full term of child birth. Putting them both together we can interpret it as House or household of God who are about to release their seed . What is our seed ? How about gifts of the Holy Spirit , fruit of the Spirit , fruit that shall remain the product of witness , those things Jesus has taught us from His word about His kingdom.

This year then is a year for the body of Christ to be functioning in maturity and releasing all that the Lord has placed in them . Whatever He has invested in us has to come out and produce something of kingdom value. It is not time to just meditate but a time to produce. God the Investor is now putting a demand upon His body to give birth.

Another primary word is “ to pierce holes in “ . When this is applied to spiritual warfare it has the meaning of piercing world systems to break in and demolish them. A negative word is to tremble inwardly which can be applied to fright. It can also be applied to what God has attached to a specific anointing for this season. God has revealed that an “Apostolic Governmental Dismantling Anointing” has been released . This will cause an inward trembling or shaking to take place in earthly governments to dismantle them from the inside out and to replace them with His heavenly kingdom government.

Look at an account of a shaking that took place in **Acts 16:25-31** .

“And at midnight Paul and Silas prayed, and sang praises unto God: and the prisoners heard them.

And suddenly there was a great earthquake, so that the foundations of the prison were shaken: and immediately all the doors were opened, and every one's bands were loosed.

And the keeper of the prison awaking out of his sleep, and seeing the prison doors open, he drew out his sword, and would have killed himself, supposing that the prisoners had been fled. But Paul cried with a loud voice, saying, Do thyself no harm: for we are all here.

Then he called for a light, and sprang in, and came trembling, and fell down before Paul and Silas, and brought them out, and said, Sirs, what must I do to be saved?

And they said, Believe on the Lord Jesus Christ, and thou shalt be saved, and thy house.”

This was a shaking that not only shook the foundations of the governmental structure (the jail) it also produced a saving of the household of the jailer. This anointing will do the same.

An earthquake works this way it is a seismic implosion !

Let's look at a relational issue now as we consider another “**Bet**” word. It is “**apple of the eye**”. In physical terms it is the pupil of the eye , the core of the eye. It is the central transparent area surrounded by the iris , the coloured area.

God refers to the “**apple of His eye**” an intimate relationship statement of one He prefers and adores. He is jealous over this one . Look at these two texts :

Psalms 17:8 “Keep me as the apple of the eye” Zechariah 2:8 “For thus saith the Lord of Hosts;after the glory hath He sent me unto the nations which spoiled you;for he that toucheth you toucheth the apple of His eye.”

In this new year the nation of Israel and we as the Church will experience a greater intimacy with God . This is what He has generated. It is wholly generated from the heart of God to a people whose response to Him must be total submission , obedience , trust and dependency. This relationship is the key to functional authority. Interestingly when we combine another word which we looked at in the beginning “**Beth**” meaning house or household (family) we gain a valuable inside to this intimate relationship . If we put it in modern language it could be translated as “ you touch my family you touch me !” . This makes it far stronger now . It's touching covenant relationship and that's not a wise thing to do with such an awesome God and Father ! Aren't you glad you are the apple of His eye !

We want to conclude this short study of the “**Bet**” words . It has been a study to help each of us to look more deeply into the rich meanings that God has released to us through His word.

It is a time to study more and to meditate upon His word. It is time to deepen our relationship with Him and one another in the body of Christ. This coming year will prove to be a year where so much of our victories will be dependant upon our relationships and working together as a team.

This is so well detailed within **Ephesians 4:16**

“From whom the whole body fitly joined together and compacted by that which every joint supplieth, according to the effectual working in the measure of every part, maketh increase of the body unto the edifying of itself in love.”

Our final word for consideration is “flash of lightning” . During the recent 5772 conference with Dr.Chuck D Pierce he received and released the following : During our Head of the Year Gathering the Lord began to give additional revelation: "I am sending My lightnings ! I have been waiting to fill My children's mouths with the voice of Heaven! I am sending forth MY messengers of lightening this hour. I have a people that will become lightning rods! They will then become storms in the earth. You will create storms and you will storm atmospheres of darkness in days ahead. You stand at crossroads. Nations stand at crossroads. The nations are yearning and saying, ' It is time for us to run. Show us which way to run.' My people will determine the way nations in the Valley of Decision will choose to go! My people will split the occult powers that are holding entire nations captive.”

When we compare what God is speaking out about us with the physical description of lightning we can gain some very interesting insight that will help us cooperate with our great God .

Lightning is an atmospheric electrostatic discharge (spark) accompanied by thunder, which typically occurs during thunderstorms, and sometimes during volcanic eruptions or dust storms. From this discharge of atmospheric electricity, a leader of a bolt of lightning can travel at speeds of 220,000 km/h (140,000 mph), and can reach temperatures approaching 30,000 °C (54,000 °F), hot enough to fuse silica sand into glass channels known as fulgurites which are normally hollow and can extend some distance into the ground. There are some 16 million lightning storms in the world every year. Lightning causes ionisation in the air through which it travels, leading to the formation of nitric oxide and ultimately, nitric acid, of benefit to plant life below.

In simple terms it has the following properties:

- Ability to move rapidly
- Generates high illumination
- Makes a great sound
- Highly destructive
- Once started cannot be controlled
- Last for only a short time
- Requires specific set of conditions to function

Lightning rods provide a low-resistance path to ground that can be used to conduct the enormous electrical currents when lightning strikes occur. If lightning strikes, the system attempts to carry the harmful electrical current away from the structure and safely to ground. The system has the ability to handle the enormous electrical current associated with the strike. If the strike contacts a material that is not a good conductor, the material will suffer massive heat damage. The lightning-rod system is an excellent conductor and thus allows the current to flow to ground without causing any heat damage.

If we put all these qualities into what the Lord is calling us to function in this year 5772 we will have a better idea of how we will function. The key really is to obey His leading at any particular time.

Our purpose in writing about 5772 “Ayin Bet” is not to bring an exhaustive study but simply to help kick start “The Church” into further meditation , consideration and study to seek out what God is saying about today . We encourage you to study the word of God as detailed in **2 Timothy 2:15** to become that good workman who need not be ashamed .

“Study to shew thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth.”

Let us also encourage you to go through the supplementary list to seek out the many meanings with the help of the Holy Spirit .

Always allow the Holy Spirit , the Spirit of Truth to guide your steps in this coming year.
